

LHA

LHA

The LHA tread is the ideal tread in the construction sector. It performs well on soft ground.

Fitments :

Loaders, Graders, Backhoes, Cranes, Forklifts, Forestry Equipment, etc

Code TRA : L-3 / E-3

BENEFITS AND FEATURES:

- Excellent traction on soft ground.
- Design allowing minimal heat buildup.
- Very versatile tread for on-road or off-road applications.
- Tested to deliver a significantly lower cost per hour than major brand tires.

WIDTHS	TREAD DEPTH
	/32"
