

LKT

The LKT tread is inspired by a military tread. It has a footprint ensuring very good stability and maximum lifespan.

Fitments

Loaders, Graders, Agricultural Tractors, Backhoes, Cranes, Forklifts, etc.

Code TRA : L-2 / G-2

BENEFITS AND FEATURES :

- Reduces operating costs by preventing oversteering.
- Minimizes vibrations, ideal for self-leveling graders.
- The rubber compound allows 4-season use and excellent lifespan.
- Tested to provide a lifespan equivalent to major brand tires.
